CRACK & MOVEMENT CHECK FOR BUYERS

Know which cracks are normal and which need an expert.

USUALLY MINOR (STILL NOTE IT)

- [ ] Thin hairline cracks in drywall or a concrete slab
- [ ] Small cracks at drywall corners above doors

ASK QUESTIONS

- [ ] Stair-step cracks in brick or block walls
- [ ] Cracks wider than a coin, or one side higher than the other
- [ ] Doors/windows that stick or don't latch near a crack
- [ ] Sloping floors, gaps between wall and ceiling or trim
- [ ] Fresh patching or paint over one spot only

NEXT STEPS

- [ ] Book the general inspection the day your offer is accepted
- [ ] If flagged, ask a structural engineer for a report inside your inspection window
- [ ] Use the report to negotiate, request repairs, or walk away
- [ ] Ask the seller for any repair records or warranties
